<p><b>Welcome to the ATSILIRN Protocols for Libraries, Archives and Information Services</b></p> <p>The Aboriginal and Torres Strait Islander Protocols for Libraries, Archives and Information Services (hereafter the Protocols) was published in 1995 by the Australian Library and Information Association (ALIA). The Protocols were endorsed by the Aboriginal and Torres Strait Islander Library, Information and Resource Network (ATSILIRN).</p> <p>After a decade in circulation, it was recognised that there was little in the research literature that identified the extent of the use of the Protocols, or their value and effectiveness in workplaces across the Library and Information Services sector.</p> <p>Following desktop research and extensive consultation with library professionals, the Protocols were updated in 2005 and presented as a website. This website is now archived on <a href="#">Pandora</a>.</p> <p>The most recent update of the Protocols commenced at the 2010 ATSILIRN Conference: <i>Talkin Across Country, Talkin Across</i></p>
